Dear WAVA Friends:

The Westmoreland County Department of Public Safety would like to announce and invite you to an exciting event regarding Public Safety response.

Westmoreland Voluntary Organizations Active in Disasters (VOAD) supports the coordination of planning efforts by volunteer organizations responding to a local disaster. Member organizations can provide more effective and less duplicative service by collaborating closely together before disasters strike. VOAD has long been recognized nationally as the most effective way for a wide variety of volunteers and organizations to work together in a crisis. After disaster strikes, Westmoreland VOAD strives to provide assistance quickly and efficiently to the families impacted by catastrophes in Westmoreland County. With your community partnership, we can.

On Thursday, October 24th at 6pm, The Westmoreland VOAD will be hosting a "New Beginnings" event at the Westmoreland Museum of American Art. We would invite your organization to join us at this event to learn about VOAD and how your involvement could be imperative to our community in the time of need.

Sincerely,

Roland "Bud" Mertz
Director of Public Safety

Please RSVP to Andrew "Rocky" R zodkiewicz at 724-600-7314 or arzodkie@co.westmoreland.pa.us
